**Subject:** Greenspace

Good evening,

As proposed by the Paignton Neighbourhood Plan I fully support the inclusion of the designation of Hookhills Green Area and playpark as a local Greenspace. I would absolutely not support the objections previously raised by the Council and TDA.

It is vitally important for children and young people to be able to play in a safe, enclosed play park and the play parks within this area are utilised wholly by the community. This summer the Hookhills Playpark has hosted a huge community event raising thousands of pounds for local charities as well as hosting sports day for the Pre-school.

The community within the area is very much in a period of transition with new, young families moving into the area and it is important that the younger generations have these facilities.

The development of these sites would have a detrimental effect of the community and for these reasons should be protected as a greenspace.

Beccy Pearce
