Dear Leon,

Please see e-mail below from Mr Thomas who has agreed to the proposed boundary change to the Local Green Space as indicated within the attached and that this overcomes his objection.

Dear Leon,

Further to the Hearing held on Monday this week, at which the issue of Local Greenspace TLGSH4 was discussed, as instructed please find attached a map showing an amended boundary to take account of the representation made by Mr Thomas. Could you confirm that the proposed amendment reflects what was agreed? I spoke to Mr Thomas on the phone earlier today and I have copied him into this e-mail for him to also confirm that this is his understanding of the mapping change.

Best regards,

Andrew Gunther
