

CHANGE: MAKE IT COUNT

Torbay End Street Homelessness
Campaign

TESH working with Town Centre Partnership and Torbay Council

CHANGE: MAKE IT COUNT

Our aim is to encourage you to donate to organisations working with the homeless rather than direct to someone who is begging in the street. Various organisations continue to provide food, drink, clothing, access to GP services and help with access to benefits on a daily basis.

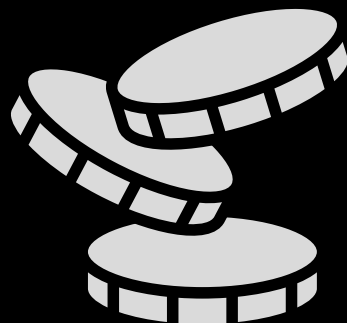

All money donated via the **CHANGE: MAKE IT COUNT** campaign will reach those who are street homeless and will be used towards setting them up in a new home. However much you can afford will help to make a difference.

To ensure your donation makes change count in the long term, pop your change in a collection tin in local shops or donate online <http://bit.ly/ChangeMakeItCount>

Alternatively you could donate food, clothing or money to one of the TESH campaign organisations direct, or volunteer some of your time.

**Thank you for helping –
in whatever way you can.**

If you are concerned about someone who is sleeping rough telephone 01803 217890 who will arrange to make contact and ensure support is offered.

*TESH is not eligible to claim gift aid on this campaign
