

Churston Ferrers Grammar School

ADMISSIONS POLICY – SIXTH FORM

Admission in September 2021

Students are admitted to the Sixth Form for a two year A level course. Our planned admission number is 300 – please note this is for guidance only.

There are minimum and maximum group sizes in all subjects. The minimum size is 10, although some classes are occasionally smaller. Please note **subjects with very small numbers may not be viable and a decision not to run a subject may need to be taken.**

All students in Year 12 are expected to study three subjects but consideration will be given to students studying four A level subjects where their Attainment 8 score supports this. We aim to accommodate as many subject combinations as possible. To achieve this, we ask students to enter on the application/subject preference form their first three choices of subject. Students who intend to study four subjects need to choose four subjects at this stage. We then compile the option blocks to facilitate the greatest choice of combinations. With any clashes we cannot resolve we will ask students to select another subject. (Students are notified as soon as such clashes are identified).

Applicants need to meet the following conditions:

1. Be under 19 years of age at the start of his/her programme of study
2. Have the right of abode in the UK
3. Meet the Academic Entry Criteria (see below)
4. Qualify for funding from the UK Government for the complete A level course

Students will not normally be funded by the Government for a retake of subject or the retake of a year, therefore students cannot retake Year 12 or undertake a Year 14 **except** where there are exceptional circumstances outside the control of the student or institution, such as a period of long term sickness, or good educational reasons. The Head Teacher will decide if circumstances are exceptional in the absence of a definition from the Student Funding Agency.

A student in Year 12 is defined as one who is following the first year of GCE A Level specifications in a majority of timetabled lessons.

A student in Year 13 is defined as one who is following the second year of the GCE A Level specifications in a majority of timetabled lessons.

All students transferring from Year 11 at CFGS to Year 12 and all external applicants to Year 12 must meet the academic entry criteria. Students are admitted to the School but subject choices cannot be guaranteed.

ACADEMIC ENTRY CRITERIA:

Entry to Year 12

1. Students must have a **GCSE grade 5 or above in Mathematics and English plus an additional 4 GCSE subjects at grade 6 or above.**
2. Students need to meet the **individual subject requirements for the subjects they wish to study** – (*see table in the prospectus*)
3. Other qualifications may be accepted in place of GCSEs, equivalence will be decided by the Head Teacher.
4. Applicants who have not studied GCSE will need to demonstrate that their knowledge and competency of the English language is sufficient for them to cope with the A level subjects they wish to study by holding a suitable equivalent qualification to GCSE English Language.
5. In Year 12 students must study three A level subjects unless otherwise agreed.

NOTE 1: Two short course GCSEs will be counted as one of the 6 full course GCSE grades required provided they are in different subjects.

NOTE 2: Students who do not achieve the academic entry requirements can appeal the decision not to offer a place. The first appeal will be heard by the Head Teacher and a decision will be taken in time to start the new academic year.

APPLICATION/TRANSFER

Internal Year 11 students need to submit a completed transfer form containing preferred subject choice and external applicants need to submit a completed application form by **7th February** in the year of requested transfer or admission. Applicants submitting forms after this date may be disadvantaged in the allocation to a subject group.

It is essential that students confirm on GCSE results day or the following day that they intend to take up their place in the Sixth Form, otherwise the offer of a place is withdrawn. All students also need to attend the registration day at the beginning of term to register and confirm their course, failure to do so may mean that the offer of a place is withdrawn or a student fails to get his/her subject choice if a subject is oversubscribed.

OVER SUBSCRIPTION POLICY FOR APPLICANTS

The **Admissions Number** for **external applicants** for Year 12 is approximately 50.

Places for applicants will be allocated in the following order of priority:

1. Looked after children (children in care) and previously looked after children
2. Students who applied by the deadline of 7th February and after that by the earliest date of receipt of application
3. The highest Attainment 8 score

NOTE: Other qualifications will be dealt with on an individual basis, equivalence to the above qualifications will be decided by the Head Teacher.

OVERSUBSCRIPTION CRITERIA FOR INDIVIDUAL COURSES AT A LEVEL

Places for prospective A Level students who meet the academic criteria are allocated according to the following order of priority:-

1. ~~Applicants for YEAR 12:~~ Applications and Year 11 transfer forms received by the deadline of 7th February
2. **If** the number of qualifying applicants exceeds the number of places available they will be ranked according to the higher UMS score at GCSE in the A level subject applied for (double science being equivalent to two separate sciences) or in the first subject in the individual subject criteria
3. For YEAR 12, applicants who are Looked after children (children in care) and previously looked after children who applied after 7th February
4. For YEAR 12: applications received after the deadline in order of date of receipt of application
5. Applications from students requesting entry into Year 13
6. Applications from students requesting entry into Year 14
7. Applications from students requesting to repeat Year 12 (whether taken at Churston or another institution)

Note: The priority above means that for applicants in categories 4-6 above a decision will not be made until after the Year 12 Registration Day at which time it will be known which subjects can accommodate students.

Ratified by the Full Governing Body November 2018. Next review due November 2019.

Ratified by the Full Governing Body December 2019. Next review due December 2020.

Subject Information and Academic Entry Requirements

Subject	Minimum GCSE Grade Requirement
Art	Grade 6 at GCSE Art
Biology	Grade 6/7 in Double Science OR a Grade 7 in Biology Mathematics – Grade 6
Business Studies	Mathematics – Grade 5
Chemistry	Grade 6/7 in Double Science OR a grade 7 in Chemistry. Mathematics – Grade 7
Computer Science	Computing – Grade 6 Mathematics – Grade 6
Design & Technology	D & T – Grade 6 in any area
Digital Photography	No previous course or experience is required
