Subject: Planning Consultation Request P/2017/1133 (Inglewood)

Dear planning,

“P/2017/1133 Housing Services have the following comments to make- Housing Services would like to commend the outline application at Inglewood for providing the Council’s policy requirement of 30% affordable which will provide 120 affordable homes which are much needed in Torbay for local people. The outline housing mix shows a proportionate mix of housing types from flats to 4 bed family homes which include wheelchair adapted units and also a proportionate mix of tenures which includes social rent, affordable rent and shared ownership.

Taking the above into consideration Housing Services will be fully supportive of the application”

Best wishes
Susanne
