Dear Alison

We understand that the inquiry into this appeal is due to open on 12 January 2021. We would like to put on record that, it having been confirmed directly to us (email to RSPB from David Pickhaver today) that Torbay Council is satisfied that in perpetuity management of the farmland detailed in the Proposed Farming Practices Plan will be adequately funded and secured via relevant planning/legal agreements, and that South Hams District Council does not need to have any involvement to ensure that mitigation habitat delivery, then the RSPB withdraws its remaining objection set out in our letter of 22 March 2018.

Yours sincerely

Helene
