

A Market Position Statement for Adult Social Care and Support in Torbay – What works for you?

Torbay Multi-Provider Forum, 1st October 2014

Summary

Torbay's Market Position Statement (MPS) is designed to provide information and analysis of benefit to providers of care and support services in Torbay.

It is intended to help identify what the future demand for care and support might look like on the basis of what we know now about our local population and services.

Torbay's purpose is to communicate to new and existing providers the things they need to know in line with local and national strategies for Adult Social Care. This will help with:

- Business planning
- Investment decisions
- Response to opportunities such as personal budgets and integration
- Reduce the risk of wasted resource on poor investments or poorly targeted initiatives

The Statement will be refreshed on an annual basis.

A set of questions is on each table, your answers to the questions will help us make sure the information is useful and relevant to you in shaping and developing business opportunities in Torbay.
