

Commissioning Landscape

- Sustainability and Transformation Plan: 4 phases of care: Keeping people healthy, Self-Care, Locality based community services, Safe and sustainable specialist services
- CHC: strategic needs analysis and forecasting of beds and types of care need; contracting; scope for any block arrangements and looking at Funded Nursing Care fee
- Personal Health Budgets/ Integrated Personal Commissioned Budgets: routinely offering to those eligible for CHC including children; looking to extend this to people with more complex learning disabilities and children who have an Education Health Care Plan
- Transforming Care Partnership: working with NEW Devon CCG and local authority partners to engage more effectively with specialist providers in South West
- Living Well At Home: launch of new contract for personal care services across Devon using prime contractor model

Excellent, joined-up care for everyone
