Where applicable, a Lead Consultant's Supply Chain can be added to at any point during the term of the Framework. A request must be submitted to the Framework Manager by submitting a signed Supply Chain Amendment form. It is for the Lead Consultant to select and put forward the most appropriate sub consultant during the further competition process. An Applicant may submit a Tender for Lot A or Lot B, but not both. An Applicant is defined as an Economic Operator. If an Applicant submits a Tender for Lot B, there is no limit to the number of sub lots the Applicant can apply for or be awarded to. An Applicant can submit a Tender for a Lot and be on the supply chain(s) for another Applicant(s) Tender submission The Geographical region Sub Lot selected by a User will be based upon the location of the Construction project.

2) **Common procurement vocabulary (CPV)**

71000000

3) **Quantity or scope**

based upon the previous Framework

- of the 20 call offs per year, approximately three quarters would now be procured from one of the Sub Lots within Lot B, based upon the estimated construction value being under the EU spend Threshold for Works.

- The call off contract values are wide ranging. This is because one or more disciplines can be called off at any one time

The range is only an indication based upon the usage of the current Framework for Lot B overall and has not been broken down into the Sub Lots. The procurement pipeline is unknown for users going forward. This data is subject to variation

Estimated value excluding VAT:
