## Your Feedback

We have included a survey on the main page of the Local Offer and would really value your opinion to help us make the Local Offer meet your needs.

We will summarise the feedback that we receive every year and publish this on the Local Offer.

Local Offer in Torbay

This is Torbay's officially recognised Local Offer that is maintained by the Local Authority in order to meet statutory requirements.

These pages contain information about services for children and young people with a Special Education Need (SEN) or Disability. If you would like further information about SEN, including how to make a request for statutory assessment, please contact the SEN Team on 01803 208274 or visit <http://www.torbay.gov.uk/senassessments>.

A social and support group for children and young people on the autistic spectrum and their siblings, whilst also supporting and signposting parents, reducing feelings of isolation. The aim of the group is to encourage social interaction, cooperative play, personal awareness and a better understanding of self and others. Parents remain responsible for their child and must stay for the whole activity.
